Camp Jubilee Local Missions Opportunity

Mount Jubilee Ministries partners with the special needs population by offering a Christ centered, residential summer camp each year. This week has proven to be the **best week of the year** for dozens of Special Friends over the past 14 summers. Campers gather for Bible stories, singing, horseback riding, archery, canoeing and other special activities. Camp Jubilee sets our standards high to select the most qualified and passionate counselors to assist our campers one on one throughout the week. Herein lies an opportunity of a lifetime!

Junior Counselors

- Must be 16 years old or older
- No experience with special needs population needed, but must have a strong desire to serve.
- Will work one on one with higher functioning campers who require no personal care assistance

Senior Counselors

- Must be 18 years or older (our counselors range from 18-65 years old)
- Should have some experience working with children or adults with special needs
- Some personal care assistance for campers may be needed, including assisting the Junior Counselors as needed.

What Some Counselors Have Said:

It has been such an honor to have served these dear friends this week.

Thank you for allowing me to counsel at Camp Jubilee. I will never look at our Special Friends the same again.

When Cookie took the stage at Tuesday night's talent show and sang "I'll Fly Away" in a way I had never heard before, I knew my life had been changed forever.
