

2025 Family Fun Walk Team Registration Step-by-Step Instructions

1) First, you will receive an email from “Donorbox” inviting you to join the Mount Jubilee Ministries campaign. Click and open the email:

2) Once you open the email, click the button that reads “Create Your Account and Get Started” at the bottom of the page:

3) Fill in your information and create a password. Click “Sign Up” in red:

You've been invited by Mount Jubilee Ministries to join their Donorbox campaign

Create your Donorbox account to start fundraising

Sign Up

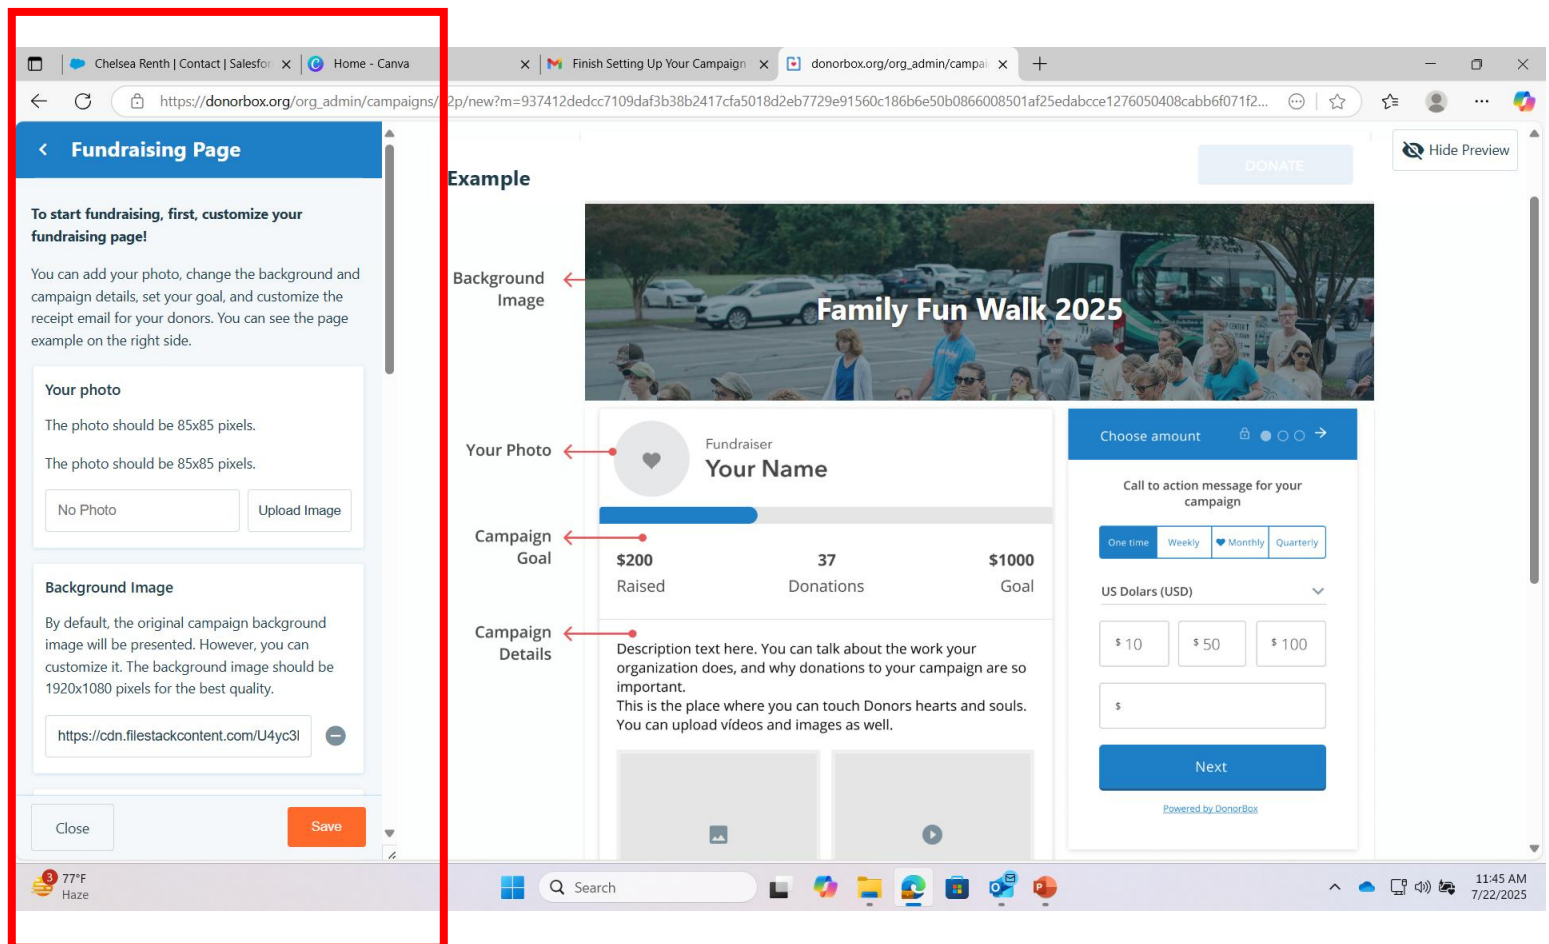

4) Once logged in, you will join the Family Fun Walk 2025 campaign by clicking “Accept Invitation” on the right, top corner of the screen:

5) Next you will see your Team customization page. On the left side, you will see where you can edit settings, wording, and photos. On the right of the page, you will see a preview of the inputs. Some update as you edit, and some do not.

Area for customization

Page Preview Area

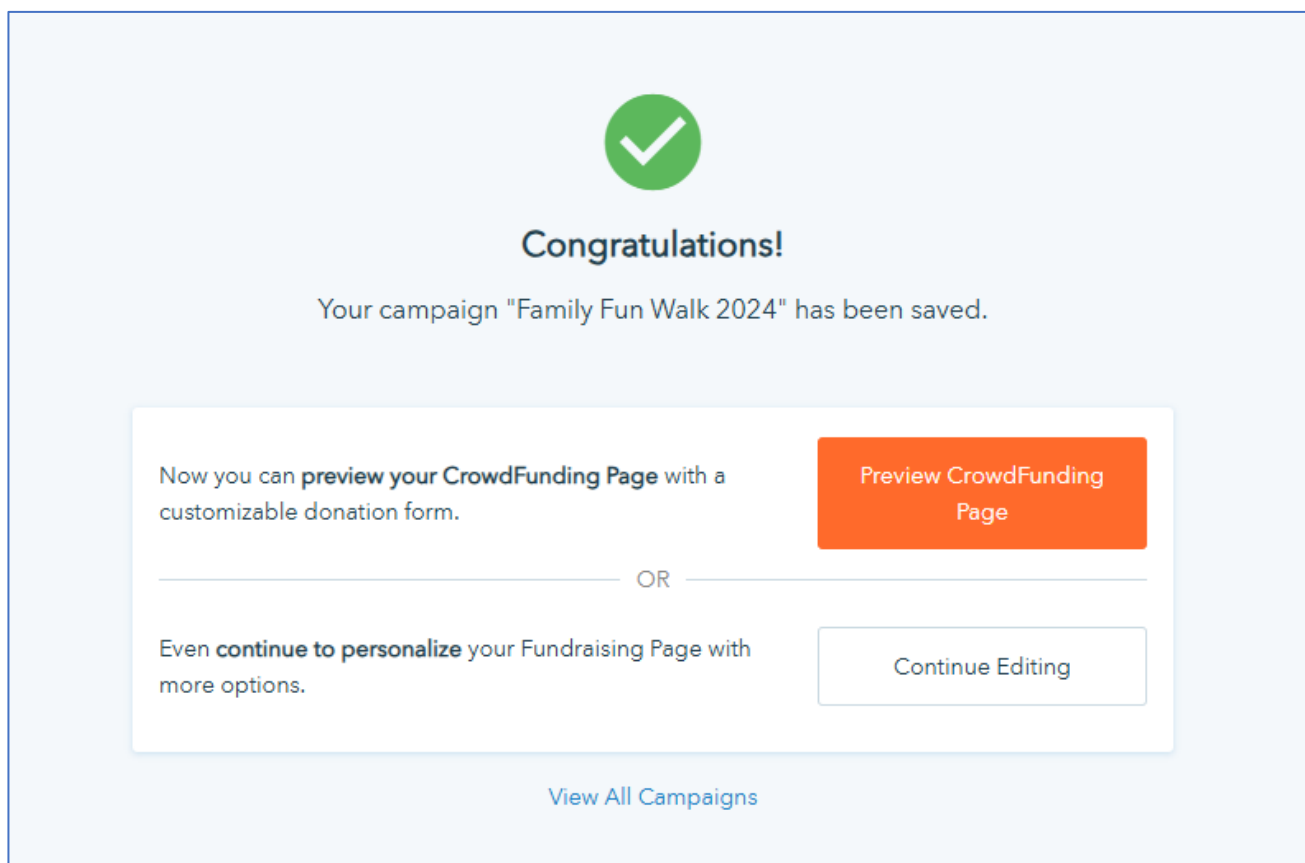

6) We suggest you make the following edits to the Fundraising page by scrolling down the left side of the customization area of the page:

- **Your photo** – upload a smiling picture so your friends and family recognize you!
- **Share Your Story** – Why are you passionate about fundraising for Mount Jubilee Ministries?
- **Campaign goal** – We encourage you to make your goal at least the individual goal of \$2500. And of course, more if you feel so led!

7) Once all your customizations are complete, be sure to click the orange “Save” button at the bottom of the screen.

The screenshot displays the 'Fundraising Page' customization interface. On the left, a sidebar contains three main sections: 'Your photo', 'Background Image', and 'Share your Story'. The 'Your photo' section includes instructions on photo dimensions (85x85 pixels) and an 'Upload Image' button. The 'Background Image' section shows a URL input field. The 'Share your Story' section provides a text area for a description and a rich text editor at the bottom. A large red arrow originates from the top left and points directly to the orange 'Save' button located at the bottom right of the sidebar. The main area of the interface shows a preview of the fundraising page. This preview includes a header with 'Fundraiser Your Name', a progress bar showing '\$200 Raised' out of a '\$1000 Goal' with '37 Donations', and a 'Campaign Details' section for a description. To the right of the preview is a 'Choose amount' sidebar with frequency options (One time, Weekly, Monthly, Quarterly), currency (US Dollars), and donation amount buttons (\$10, \$50, \$100). Below the preview is a 'Donor Wall' section showing two donor entries with their names and donation amounts.

8) Once you hit the save button, a new page opens telling you that you completed registration:

9) If you click on “Preview CrowdFunding” page, it will open a new tab. You can copy and paste the webpage URL from the top of the page.

You can also click “View All Campaigns”, and then click on “Family Fun Walk 2025” to see your progress and copy your URL from there. Use that link to share on social media and to email or text to friends & family!

*****PLEASE NOTE*****

If you have any issues getting registered, please call the MJM Office at (336) 813-2034 for troubleshooting assistance.
